2020 Annual Survey of Public Libraries

(to be completed between January and **Friday, April 30, 2021**)

Part #1 - OverDrive Provincial Consortium

These numbers are for use by libraries participating in the OverDrive Provincial Consortium (of e-books and e-audio titles) and will be used in **Section C (Holdings)** on the Annual Survey.

C0.0 Circulating and Reference	English	French	Other
C0.3 Electronic Resources			
C0.3.5 E-book titles	74,568	550	132
C0.3.6 E-book copies	86,985	550	175
C0.3.7 E-audio titles	18,537	70	9
C0.3.8 E-audio copies	23,526	73	39

If you are in the OverDrive Provincial Consortium and also an **Advantage** partner, please add your own holdings to the numbers we have provided for sections C0.3.5 - C0.3.8.

If you are part of the OverDrive Provincial Consortium but also purchased titles from another provider (e.g. cloudLibrary*, Axis360), please add your own holdings to the figures that we have provided in sections C0.3.3 - C0.3.8.

*If you purchase titles from cloudLibrary and also participate in cloudLinking with other libraries, ONLY count the titles owned by your library. The number of titles available through cloudLinking constantly shifts depending on availability and cannot be accurately counted.

Part #2 - French shared e-book collection

These numbers are for use by libraries participating in the French E-book Consortium (Cantook Station) and will be used in Section C (Holdings).

C0.0 Circulating and Reference	French
C0.3 Electronic Resources	
C0.3.5 E-book titles	7,585
C0.3.6 E-book copies	8,191
C0.3.7 E-audio titles	418
C0.3.8 E-audio copies	420

Part #3 - COOL/E -collections from EBSCOhost

These numbers are for use by members of the COOL consortium, and should be added where applicable to sections C0.3.3- C0.3.8 (depending on the years your library had a membership). For example, if you joined in 2005, add up all of the numbers from that year forward (1325+232+23+292+206+281+187=2546 PLUS audiobook titles added since 2005=2984) and mark the totals in C0.3.3 - C0.3.8 (but add that number to whatever number you have from OverDrive and/or Cantook)

No new titles have been added since 2011. If you purchased titles on your own after 2011, add your own holdings to sections C0.3.3 - C0.3.8. If you are no longer providing public access to these materials, do not count these titles.

Notes and Examples:
1. In Section C, you will need to keep adding the numbers for the holdings you have until you reach the total number required. For example, if the Trillium Library has one local database for local history that it created, one database for local social service agencies that it helps to update PLUS subscribes to two (2) E-resources (Canadian Literary Center and Canadian Reference Center) through Provincial Licensing, it would show 4 in line C3.2.0 (English column) as all are primarily English and you only want to count these once. The Trillium Public Library would also show the following in row C3.2.4 - show 552 in the English column of line C3.2.4 (the total of 27 periodical titles in Canadian Literary Center and 525 periodical titles in Canadian Reference Centre and 0 periodical titles for the two local databases); show 21 in number of individual French titles (2 in Canadian Literary Centre and 19 in Canadian Reference Center) and one in 'other' column– as shown in the example below.

C.3.0 Periodicals, Databases and Downloadable Items	English	French	Other
C3.2 Electronic Resources			
C3.2.0 Databases and Database Subscriptions	4	0	0
C3.2.4 – No. of individual electronic periodical titles	552	21	1

2. If you **subscribe to services such as Hoopla**, **Kanopy, Freegal, Freading, Zinio, IndieFlix, Flipster, Naxos** the Ministry does not require that you record the number of individual titles in those collections. These services are recorded in "**C4.0-Streaming and Downloading services and subscriptions**". If you have them, answer "Yes" in C4.1 "Does your library offer Downloading and Streaming Services" and then in C4.2, indicate the number of services, with **each** separate service counting as "one".
