Fees: Interlibrary Loan charges are \$12

QMBN is the ILL symbol for the Grande Bibliothèque, including the Collection nationale.

- Most of the **Grande Bibliothèque** items (circulation copies) are available through interlibrary loan. **The loan charges are \$12.**
- BAnQ uses Canada Post's Library Material Rate to mail interlibrary loan material and include a pre-paid return mailing label with the item.
- Certain items are excluded from interlibrary loans. See: http://www.banq.qc.ca/services/peb/peb_bibliotheques/documents_soustraits_peb.html?language_id=1
- Books from the **Collection nationale** might be available through ILL when no other copy is available elsewhere even if "for consultation only" is displayed. The following conditions apply:
 - the item must be viewed on site in the borrowing library – Library Use Only
 - the item has to be returned by an insured secure courier service or a private messenger service.
 - the \$12 loan charge also applies.
- You can use VDX to send requests to **QMBN**.
NOTE: When a library requests an item from BAnQ collections for the first time, it has to fill in the subscription form so BAnQ has the information they need to set up the a location and to create a borrower record in their library management system. Some Ontario public libraries may already be set up but if in doubt, fill in the subscription form before sending your request.

More information about BAnQ ILL policy and registration can be found here : http://www.banq.qc.ca/services/peb/peb_bibliotheques/index.html?language_id=1

- Holdings from **BAnQ Saguenay** and other **BAnQ Archives Centres** are not available for ILL. These locations are in charge of the preservation of archival material and their books are mostly reference works for on-site use. However, it is possible to request microforms through **QQA** (BAnQ Archives Center in Quebec city).
